## System Requirements:

Notes: Achievement is unlocked after defeating Vantas during the Dungeon Master mode. The minimum requirements are to run the game with Windows 7, 8 or 10. It is fully tested on those OS. However, to play the game in its full potential, we recommend to have at least 1.5 GB of RAM, i7 or AMD processor with at least 16 GB of RAM and an NVidia GTX 660. The game requires at least 200 MB of free disk space. It is full tested on the typical PC of a user, but
