A new ultrasonic technique developed in the authors' laboratory is described. The technique is based on measuring the temporal evolution of echo-back time in a skeletal muscle of the face. The technique determines the course of reinnervation of muscle after peripheral nerve section and appears to be a highly sensitive and useful technique. A study of a normal group (36 individuals) showed a mean reinnervation time of 7.7 days. The technique was also applied in 33 individuals with facial nerve palsy. The mean reinnervation time was 26.2 days (p CHERRIES boss Michael Barnett is adamant that the current crop of youngsters are all capable of making an impact on the first team, and confirmed that he was looking to freshen up the squad in January. week at the heart of the media and community faces. The biggest news was that skipper Alex McArthur was handed his first start for the season as he took his place between the sticks with Tom Fielding in attack. However, after seeing youngsters Danny Artell and Ryan Thomas make their debuts last weekend, Barnett confirmed that he was looking to bring in more quality to bolster the Blues' prospects. Barnett's focus has shifted from the loan window, with goalkeeper Daniel Bentley attracting attention from Bristol Rovers. The 25-year-old, who has featured just twice this season, will spend a second spell at Brunton Park as Rovers look to secure him for the remainder of the season. But Barnett has no intention of blocking the door to an out-of-favour Bentley as he continues to work to bolster his side's options. Barnett said: "We didn't want to get too carried away with the loans
