It goes almost unnoticed that he structures his film around a Shakespearean structure (referring to the title of this post). a climax and then it flows through the tail end of what is a harrowing and tense journey through the streets of Bazaar. Ever since Anurag Kashyap came into prominence with the critically acclaimed gangster film Mumbai Metro, he has been exploring the dark underbelly of Mumbai. The film industry has changed a lot since he took this plunge and its not as easy for him to earn through art with this kind of social critique. Especially to former assistant Neeraj Vora, who designed the sets and then actually learnt and implemented the art of guerrilla filmmaking. (Vora was also responsible for the cinematography of the film).
